Orthopaedic Acupuncture Diploma

### ***Admission Requirements***

Osteopaths, Chiropractics, Physiotherapists, Doctors, Nurses, Health Professionals, Tuina, Thai, Shatzu, Sports Massage Therapists with Anatomy and Physiology.

### **Outline**

This is a post-graduate course composed of 6 one day modules.

The course is specifically designed as an advanced, intensive course for therapists, who wish to broaden their knowledge, further their skills and treatment outcomes.

The emphasis of the course falls on the practical application of acupuncture as a treatment for a variety of musculoskeletal and sports conditions.

The course focuses on correct deep needling of all the articulations, joints and muscle relaxing points within the body
